

Greetings from Arnold Chan, MP for Scarborough-Agincourt

On behalf of the Government of Canada, and the people of Scarborough-Agincourt, let me take this opportunity to extend my warmest wishes for a successful festival again in 2017.

Scarborough Community Multicultural Festival is a premier event for our community. Over the course of three days, people from all over the GTA and beyond join us to celebrate the truly rich diversity that we cherish here in Scarborough and all across this vast and beautiful country. We join together to celebrate with delicious food, great music, and tremendous participants showcasing a variety of talents in art and literature and more.

This year, our celebration has been a special one, in that since January, we have celebrated Canada's 150th Anniversary of Confederation. I look forward to joining you again this year, for one of my favourites.

I would be remiss not to thank all of the sponsors and volunteers who commit their time and resources to make this a great celebration for all. Thank you for making Scarborough better.

Sincerely,

A handwritten signature in black ink, appearing to be "Arnold Chan".
