

Premier of Ontario - Première ministre de l'Ontario

August 24 – 26, 2018

## **A PERSONAL MESSAGE FROM THE PREMIER**

On behalf of the Government of Ontario, I am delighted to extend warm wishes to everyone attending the Fourth Annual Scarborough Community Multicultural Festival.

Since the earliest days of our country, people from around the world have come here to seek opportunity and build better lives. Today, multiculturalism is part of our identity as Canadians.

The community of Scarborough is one of the most popular destinations for newcomers — with many residents hailing from countries throughout the world. Through their hard work, skills and community spirit, they have helped build diverse, dynamic communities of which we can be proud.

Festivals such as this connect residents to their roots and help create a vibrant cultural landscape in our province.

I thank Kinron Associates, volunteers from the Scarborough community and everyone who worked hard to ensure the continued success of this festival.

Best wishes for another successful year!
