On behalf of our Film and Entertainment Industries team, I am pleased to welcome residents, visitors and all attendees to Scarborough and Toronto for this celebration of Culture, Creativity and Diversity brought to you by Kinron Associates. Here's to everyone working on the event and everyone volunteering for a great cause and celebration.

Our neighbourhoods, communities and city are the lucky beneficiaries of the wealth of talent that call Scarborough and Toronto home and we hope you all enjoy this great second year with much continued success!

Thank you,
