SCARBOROUGH COMMUNITY MULTICULTURAL FESTIVAL

A PERSONAL MESSAGE FROM THE HONOURABLE CHARLES SOUSA

On behalf of the Government of Ontario, I am delighted to extend warm greetings to everyone attending the 3rd Annual Scarborough Community Multicultural Festival.

Ontario is proud to be a home to diverse cultures, identities, faiths, beliefs and ways of life. We value diversity as our strength and as a guiding principal in our province.

The Scarborough Community Multicultural Festival brings Ontarians together, and provides a weekend of performances, film premiers and a citizenship ceremony, truly encompassing the spirit of Canada's 150th year.

This year, I'm pleased to see the addition of new events, now including the Caribbean Tales Film Festival and other community film screenings.

Congratulations and thanks to all the volunteers who help bolster multiculturalism in Ontario, and share the many wonders of our community.

Please accept my best wishes for a memorable 3rd Annual Scarborough Community Multicultural Festival, and for much success in the future.
