Greetings from the Minister of Immigration, Refugees and Citizenship

I am pleased to extend my warmest greetings to all those attending the 2018 Scarborough Community Multicultural Festival.

As Canadians, we recognize that our diverse communities play an important role in shaping our country's future, and represent open avenues of friendship and cooperation both within Canada and with other parts of the world.

This festival, through its many activities, exhibitions and performances, provides an excellent opportunity for all people to come together and celebrate the traditions of different cultural groups represented in the City of Scarborough, while highlighting the diversity of Canada.

As Minister of Immigration, Refugees and Citizenship, I wish to thank Kinron Community Event Planning Services for organizing this festival. I would also like to thank the coordinators, performers, vendors, and volunteers for their hard work and dedication to their community.

My very best wishes for a successful event!

Sincerely,
