

SCARBOROUGH COMMUNITY MULTICULTURAL FESTIVAL

Media Launch

June 21, 2016

On behalf of the Government of Ontario, I am delighted to extend warm greetings to members of our press, event sponsors, Scarberians and visitors from other parts of Toronto. Welcome to the Media Launch of the Scarborough Community Multicultural Festival!

This is the festival's second year, and I'd like to thank Kinron Associates, volunteers from the Scarborough community and everyone who worked hard to ensure the continued success of this festival.

Our province is proud to be home to people from all corners of the globe. The community of Scarborough is one of the most popular destinations for newcomers — with many residents hailing from South Asia, East Asia, Africa and the Caribbean. Through their hard work, skills and community spirit, they have helped create the vibrant multicultural neighbourhoods that Scarborough is known for.

Festivals such as this connect us to the world and enhance the cultural landscape of our communities, our province — and Canada as a whole.

Please accept my best wishes for another successful festival!
